

BSc Computing for Games Programming Practice VII

Morning

Agile Principles

In the morning session you will:

- ▶ **Conduct** a brief catch up meeting with your team, if you have not already done so.
- ▶ **Compare** notes on the agile essay.
 - ▶ Write up any notes into your LaTeX document
 - ▶ Collaborate on research activities, such as recommending source material.
 - ▶ Engage in informal peer review.
- ▶ **Play** with the LEGO Robot Kits.

Afternoon

Collaborative Project

In the afternoon session you will:

- ▶ Continue working on the game.
- ▶ **Prepare** the product backlog on the Trello board.
- ▶ **Conduct** a Sprint Planning meeting with your COMP150 group.
- ▶ **Play** with the LEGO Robot Kits.
