

BSc Computing for Games Programming Practice III

Morning

Hardware Hacking

In this morning's session you will:

- ▶ Self-organise into **TWO** groups
- ▶ As a group, **complete** the online MakeyMakey tutorials
- ▶ As a group, **complete** the tutorials in Sunfounder Arduino Kit tutorials
- ▶ After completing the tutorials, as individuals, continue **developing** your game controller prototypes

Afternoon

Sprint Reviews and Team Meetings

In the afternoon session you will:

- ▶ **Prepare** for your sprint review by **assembling** the prototype and **updating** the Trello board.
- ▶ Sprint reviews will commence at 3pm
- ▶ **Conduct** a meeting with your COMP150 group. In this meeting, you should focus on the:
 - ▶ Group name
 - ▶ Commercial goals
 - ▶ Design goals
 - ▶ Management issues
