

COMP150: Game Development Practices

3: Text-based Adventure

Workshop

In the morning session you will:

- Self-organise into THREE groups of approximately equal size.
- Design a short text-based adventure game with the following themes:
 - Group wearing the most red: "Iron Bull".
 - Group wearing the most green: "Ghostly Spymaster".
 - Remaining group: "Atoning Monk".
 - Note the checking order: red → green
- Implement a paper prototype as appropriate.

Workshop

After the mid-session break you will:

- Develop a working design document to flesh-out details not in the prototype.
- For more information, review the material here:
